D) Discussion Items

1) General Education

4 patterns exist: CSU GE, IGETC, IGETC for STEM, Hartnell GE

For what degrees should each be applied?

What criteria should be used to determine whether a course is in the GE pattern, and if so, what area does it belong in. Should we have a rubric to use in this decision-making? If so, what does rubric look like.

Outcomes and Assessment Committee is looking at Core Competencies. How do Core Competencies relate to the Hartnell GE pattern? How can we work together on this.

The committee had discussion about the need to create criteria and a rubric and to link what is in the rubric to the work of the O&A committee on Core Competencies. A subcommittee will be formed with Curriculum Committee volunteers and other interested faculty at next meeting.

VII. Announcements
