## 1. Student Success Conference recap

Dr. Wilkinson thanked the committee for all their hard work and effort to make SSC a success. Many shared they heard good feedback from their peers. Both guest speakers, Ben Percy and Sarah Goldrick-Rab were well-received.

Several people spoke about an incident that occurred during one of the sessions that was a microaggression. The incident triggered a lot of people, and there was discussion on how to prevent this from happening again. There were suggestions to turn off the chat box; however, some people wouldn't want to disable the chat because there are a lot of good and positive comments. The group decided to set up protocols that address our Code of Conduct.

The survey results will be shared in the next meeting.

## 2. 4CSD Conference

The conference is free this year and will be on March 4 & 5. Janeen encouraged anyone interested to attend.

## 3. Educator in Residence series

We have had trouble generating enough interest in EIR in the past and attendance was low. We are hoping that with Zoom that more people will be able to attend. In the future, we should think about incorporating virtual and in-person to allow for better attendance.

Belle initiated a discussion on possibly reviewing other nominees from the past few years who were unable to speak at Hartnell due to budget or time conflict. She brought up how Ben Percy was a success at SSC, and it would be great to use that momentum to bring him back as EIR this year since we had to cancel his EIR workshops last year. The committee will great a workgroup to determine a budget, dates, and plan of action to bring back to the next meeting.
