A) EMT Certificate of Achievement (see proposal narrative in [Degree Review Folder](#))

Certificate Approval: **Approved, MSC**

There was discussion about stacking and letting students know the different purposes that the EMT certificate can serve in the Allied Health metamajor. Some students take it on the way to other allied health fields and it would be helpful for students to see that in the catalog page. Examples include EMT to paramedic, EMT to nursing, EMT to RCP, and EMT to fire service. Some of these destinations are programs at Hartnell, others are elsewhere, but it would be useful for students to see the options on the catalog page.
