Hartnell College Vision Statement: Hartnell College students will be prepared to contribute as leaders to the intellectual, social, cultural, and economic vitality of our communities and the world.

1. State Budget Overview

- The budget proposal for FY 2020-21 is \$134 billion
- The COVID-19 has adversely impacted California's major sources of revenue funding: personal income tax; sales tax; and corporate tax, as well as property taxes
- California faces a shortfall of \$54.3B, which is a 22.3% decline in revenue from the original January budget proposal
- The community college system has taken an overall \$593M reduction coupled with payment deferrals which will
 place great pressure on the District to manage cash flows to ensure that we continue to meet our monthly
 obligations.
- The \$593M reduction in base allocation will result in an approximate \$2.8 million revenue reduction to HCCD
- This compounds our initial expectation of determining expenditure reductions of between \$2.0-\$2.5M
- Dr. Hsieh is due to present a preliminary FY20-21 budget to the HCCD Governing Board on June 2.
- The full benefit of our ongoing discussions about cost controls and revenue improvements, as well as additional information from Sacramento, will be applied to the final FY20-21 Adopted Budget, which is scheduled for Governing Board action in September.

2. Directive

• "At its 5/20/20 meeting, the College Planning Council reviewed budget limitation recommendations made by the Administrative Services Council. After a lengthy discussion, the College Planning Council approved a motion directing the Administrative Services Council to do a thorough budget analysis by forming task forces and working throughout the summer. The initial budget limitation recommendations are attached. Please let either Dr. Patricia Hsieh, Lisa Storm, or Linda Wilczewski know if you have any questions."

3. Budget Limitation Document

- You'll note also that the Advancement Council agreed to undertake the further study of some of the items on this
- As this document continues to evolve, I thought we could review the changes to it at each meeting
- Once we've agreed upon those changes, we'll spin off a dated copy so that we can track the introduction and approval of the items contained
