

## Announcement of the Release of Guided Pathways Workplan Phased Report: Assurances

The 2022-26 Guided Pathways Workplan's Phase 1 Report is Available in NOVA. This report is an 'Acknowledgement of Assurances' and a commitment to the forthcoming Workplan report arriving in October.

To Access the New Guided Pathways Workplans, please use the '**Guided Pathways 2022-26**' program located in the NOVA Navigation sidebar.

Phase 1 of the Workplan is due **September 30, 2022**. Please be sure to read these Assurances thoroughly with your Guided Pathways teams and advocates on campus and review the linked legislation. The Assurances Report **does not require approvals for completion**. It will be certified upon submission.

### Information about the Guided Pathways Workplan Phase 2:

The Guided Pathways Workplan Phase 2 Report will be a workplan due for submission in March 2023. In collaboration with stakeholders and college representatives, the Chancellor's Office finds that this deadline will allow more colleges to complete on-time and with the active collaboration of divisions and stakeholders on campuses. More information about the Guided Pathways Phase 2 Workplan will be given closer to release. A template will be available mid-September.

Information about the Guided Pathways Workplan Phase 3 Report will be provided at a later date. Please note that incomplete reports shall prompt inquiry from the Chancellor's Office. If you have issues with any report, please feel free to contact Guided Pathways Program at [guidedpathwaysinfo@cccoco.edu](mailto:guidedpathwaysinfo@cccoco.edu), or contact Anthony Amboy ([aamboy@cccoco.edu](mailto:aamboy@cccoco.edu)) and Michael Tran ([mtran@cccoco.edu](mailto:mtran@cccoco.edu)).

We look forward to reviewing your reports as we complete each Phase of the Guided Pathways Workplan.

Many thanks!
