PRESENTED BY UMOJA + ASHC

- Collaboration with Office of Student Life
- National, state, local events
- Umoja Relaunch Open House

- Student contact; developing a community of African American students
- Analyzing student list (active students, previous students)
- Professional development (Umoja Community)
- Development of the advisory team of key stakeholders
- SVP cohort development
- Umoja sponsored Black graduation

Goals

- Retention
- Support
- Academic Success
- Leadership Development

Attaining goals through:

- Assessing need of the student
- Meeting the student where they are
- Improved sense of belonging
- Culturally relevant teaching, displaying cultural competence

- Hopes of continuing next academic year
- Securing designated office space and student village
- Porch talks (monthly)
- Wrap around support services
- Culturally responsive counseling
- Contributing to an Anti-Racist campus climate (sharing strategies from the statewide Umoja community; Campus-based efforts including carrying out President's Task Force strategies, etc.)
- Formal Presentation or coordinated public comment to the Board of Trustees

- Help identify faculty of African heritage to serve as mentors or to join the Advisory Group
- Encourage African American students to join the Umoja Program
- Provide resources and support as a member of the Umoja community
